Penalty for late-filed and amended elections

An election that is filed after its due date is subject to a late-filing penalty. Form T2057 can be filed within 3 years after its due date if an estimate of the penalty is paid at the time of filing. Form T2057 can also be amended or filed after the 3-year period, but in these situations, a written explanation of the reason the election is amended or late-filed must be attached for consideration by the Minister and an estimate of the applicable penalty must be paid when this election is filed.

Calculation of late-filing penalty:

Fair market value of property transferred	_____	
Less: agreed amount	_____	
Difference	_____	A
Amount A _____ x 1/4 x 1% x N*	= _____	B
\$100 x N*	= _____	C

Do not use this area

* N represents the sum of each month or each part of a month in the period from the due date to the actual filing date. Amount C cannot exceed \$8,000.

Late-filing penalty is the lesser of B and C above _____

Make a cheque or money order payable to the Receiver General. Specify "T2057" on the remittance and, to ensure proper credit, indicate the name and social insurance number of the taxpayer, or Business Number if a corporation.

Amount enclosed _____

Unpaid amounts including late-filing penalties are subject to daily compound interest, at a prescribed rate.

Information required

On the following page, list, describe, and state the fair market value of transferred properties. The description and fair market value of the consideration received has to be shown opposite the related property transferred. Where the transferred property is a partnership interest, attach a schedule of the calculation of the adjusted cost base. If space on the form is insufficient, attach schedules giving similar details. You have to designate the order of disposition of each depreciable property. With this election you do not have to file the following materials: schedules supporting this designation, documentation relating to the responses to the questions below, and a brief summary of the method of evaluating the fair market value of each property transferred. However you have to keep them as the Canada Revenue Agency may ask to see them at a later date.
